

To whom it may concern

Ashpa Management currently manages the trash at 380 Somerset. We have reviewed the site plan and can confirm that the proposal for the coral is sufficient for the service that is necessary. The proposed service is 1-6 yard container for trash and 1-2 yard container for recy. both containers going 1x/wk

All the best,

Sam

A handwritten signature in black ink, appearing to be "S. Ashpa", written over a horizontal line.
