Chipboard includes gift, shoe, shirt and all retail boxes as well as cereal, cookie, pasta, and cake and cracker boxes without the plastic liners. Poster board, greeting cards, backing from writing pads and empty, dried-out steel paint cans are also accepted.

The next drop-off date is **Dec. 1**. For more information, visit www.co.somerset.nj.us/1stSat or call the Somerset County Recycling Center at (732) 469-3363.

Canned goods and non-perishable food donations for needy residents are welcome at First Saturday of the Month drop-off events; and you can put out canned goods in a plastic bag on your usual recycling pickup dates. Items are delivered to the Food Bank Network of Somerset County. Perishable items and foods in glass containers are not accepted.

Household hazardous waste and electronic waste are not accepted on First Saturday of the Month drop-off events at the Recycling Center. You can recycle household hazardous waste at any of the five scheduled Household Hazardous Waste Drop-off events held at different locations around the county. Electronics can be dropped off free of charge on certain Saturdays in Hillsborough and weekdays at a Bridgewater and Hillsborough location.

Free Tire Drop-off for Somerset County Farmers & Residents

Oct. 29 to Nov. 2 in Hillsborough

HILLSBOROUGH – Somerset County Freeholder Brian G. Gallagher, recycling liaison, encourages residents and farmers to dispose of unwanted tires from their property. A per-household maximum of eight tires, with or without, rims can be dropped off.

The Somerset County Division of Solid Waste Management is partnering with the county Road Division to collect old scrap tires, with or without rims, **Monday, Oct. 29**, through **Friday, Nov. 2** from **8 a.m. to 3 p.m.** at the **South County Public Works Garage**. The garage is located at **410 Roycefield Road, Hillsborough 08844**.

Proper disposal of tires benefits communities. Scrap tires can collect standing water and attract mosquitoes in warm weather, which may carry the West Nile virus. In the autumn and winter, they present a tripping hazard when covered with leaves or snow.

Tires also can be dropped off during the year at the county Recycling Center, located at 40 Polhemus Lane in Bridgewater, from **8 a.m. to 2 p.m.**, as part of the First Saturday of the Month drop-off program. Proof of residency is required (current driver's license, valid lease, tax bill or any other bill with a Somerset County address). Pre-registration is not required. No businesses or commercial vehicles are allowed.

The tire drop-off program is funded through a grant from the state Department of Environmental Protection.
